

3rd – 5th Grade Football Season

Read the facts about points that can be earned in a football game.

Football Points Facts:

- Touchdown scores 6 points
- Extra Point Kick scores 1 point
- Field Goal scores 3 points
- Touchback scores 2 points

1. Teams must move forward 10 yards using no more than 4 attempts or downs to earn a first down. Billy's team moved forward 6 yards, then lost 2 yards (moved backwards), then moved 1 yard. How many yards must they move to earn a first down? Use words and numbers to support your answer.

2. Ben kicked 5 field goals. Sam kicked 7 field goals. What is the difference in the number of points Ben and Sam scored? Use words and numbers to support your answer.

3. The Chiefs scored a total of 32 points. They scored 3 touchdowns and 3 extra points. No other points were from touchdowns or extra points. Tell how the Chiefs scored the remainder of their points. Use words and numbers to support your answer.
