

**Math Mondays**  
**October 27, 2025**  
**Trick or Treat**

**Kindergarten – 2<sup>nd</sup> Grade:**

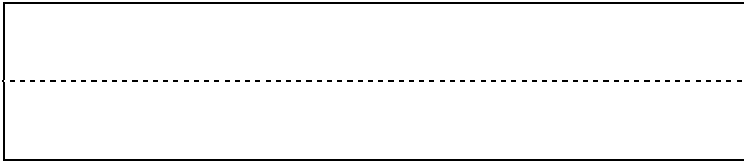

Ask your students to color the image. Then use the image to answer each question

1. How many treats have spilled out of the bag?

2. There are a total of 50 treats in the bag. How many treats can you not see?

3. There are 50 treats in Sam's bag. Sam is allowed to have 5 treats each day. (no more). The first 3 days Sam eats all 5 of the treats. But then on days 4, 5, and 6 Sam only eats 2 treats each day. How many treats are left? In Sam's bag? Use words and numbers to support your answer.
