

Math Mondays! October 6, 2025

National Noodle Day

Kindergarten – 2nd Grade:

Ask your students to color the image then conduct a class vote about your students favorite noodle dish (a list has been provided but feel free to modify the list to reflect your student population).

Use Table 1 to record the results of the class vote.

Table 1: Favorite Noodle Dish

Name of Noodle Dish	Number of Votes
Macaroni and Cheese	
Buttered Noodles	
Ramen Soup	
Lo Mein	

1. Create a bar graph to represent the number of votes for each noodle dish.

		Number of Votes																			
		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
Name of Noodle Dish	Macaroni & Cheese																				
	Buttered Noodles																				
	Ramen Soup																				
	Lo Mein																				

2. Which noodle dish received the least number of votes?

--

3. What is the difference between the number of students who voted for Ramen Soup and the number of students who voted for Macaroni and Cheese?

--
